

PUBLIC INTEREST DISCLOSURE (WHISTLEBLOWER PROTECTION)

A commitment to the value of stewardship within Holy Spirit Catholic Schools is the promise that we respect and protect God's creation; we ensure that our resources and efforts best serve the needs of all our students; we are accountable to our supporters and will operate in a fiscally responsible manner; we ensure that decisions are both fact and policy driven; we support and provide processes which promote fair and objective decision-making through a Catholic perspective; and we are open and transparent.

The Board of Trustees of Holy Spirit Catholic Schools is committed to the highest ethical and accountable conduct, and recognizes the importance of working to deter and detect wrongdoing within the operation of the school division, and to promote public confidence in the administration of the Board. To ensure this, the Board of Trustees is committed to maintaining a positive and supportive environment whereby employees can disclose potential wrongdoing, or seek advice about disclosing a potential wrongdoing without retribution, and are provided with clear guidance for how those disclosures may take place. All employees have a duty to report all wrongdoings or suspected wrongdoings to the Chief Officer or Designate.

The Province of Alberta has enacted the Public Interest Disclosure Act ("PIDA") in order to:

- Facilitate the disclosure and investigation of significant and serious matters in or relating to public bodies, including school boards, that an employee believes may be unlawful, dangerous to the public, or injurious to the public interest;
- Protect employees who make those disclosures;
- Manage, investigate and make recommendations respecting disclosures of wrongdoings and reprisals
- Promote public confidence in the administration of public bodies.

The Board of Trustees is required under Section 5(1) of PIDA to establish and maintain, in accordance with PIDA, written practices for managing and investigating disclosures by employees of the Board. Those written practices are set out herein.

Practices

- 1.1 The Superintendent of Schools is designated the Chief Officer for the purpose of the overall administration and reporting required under PIDA.

2. Designation of Designated Officer

- 4.2 An employee may make a written complaint to the Public Interest Commissioner if the employee alleges that a reprisal has been taken or directed against the employee. Such a written complaint must, according to PIDA, be made on the Complaint of Reprisal Form. (<http://www.pic.alberta.ca/files/Complaint-of-Reprisal-Form.pdf>)
- 4.3 Reasonable human resource management decisions made in good faith do not constitute a reprisal.

5. Disclosure

- 5.1 Disclosures of wrongdoing must be made to the Deputy Superintendent (the Designated Officer) in writing. The form Public Interest Disclosure Form outlines the information required in a disclosure.
- 5.2 In the event that disclosure to the Deputy Superintendent is not appropriate due to conflict of interest with respect to the nature of the disclosure or the person involved, the Designated Officer shall request the Chief Officer to designate an alternative Designated Officer for the disclosure. The alternative Designated Officer shall have all the powers of the Designated Officer for the purpose of the disclosure.

- 5.3 In the event of a disclosure to the Designated Officer concerning the conduct of the Chief Officer, or concerning which the Chief Officer has a conflict of interest, the Designated Officer shall:
- 5.3.1 advise the Board Chair of the nature of the disclosure, whereupon the Board of Trustees may authorize an investigation into the disclosure; and
 - 5.3.2 advise the Commissioner of the disclosure and its referral to the Board of Trustees, and seek advice from the Commissioner concerning whether the disclosure should be referred to the Commissioner.
- 5.4 Disclosures of matters dealing with “imminent risk” (matters that require immediate attention as they pose significant risk to public health or safety, or a danger to the environment) must be made directly to the Public Interest Commissioner, who will then communicate with the appropriate authorities. The employee must also disclose the wrongdoing to the Deputy Superintendent, as soon as practicable thereafter. <http://www.pic.alberta.ca/files/Online-Disclosure-Form.pdf>
- 5.5 Anonymous disclosures may be dealt with, but an investigation may be hampered by the request for anonymity.

6. Investigations

- 6.1 Upon receiving a disclosure, the person receiving the disclosure shall determine whether or not an investigation is warranted.
- 6.2 An investigation may involve both internal and external sources to assist in determining whether a wrongdoing has occurred and what corrective action may be appropriate.

- 6.4 Investigations shall be conducted in accordance with the principles of fairness and natural justice.

- 7.3 An investigation must be concluded not more than 110 business days from the date on which the disclosure of wrongdoing or complaint or reprisal is received.
- 7.4 These timelines may be extended by up to 30 days by the Superintendent, or for a longer period of time if approved by the Public Interest Commissioner.

8. Report

- 8.1 The Designated Officer shall provide a written investigation report to the Chief Officer detailing whether the disclosure was substantiated, and providing recommendations on corrective action.
- 8.2 Where the Designated Officer is considering a recommendation to the Chief Officer that the Chief Officer exercise authority delegated to them by the Board of Trustees to suspend or terminate a teacher or administrative designation under the *Education Act*, the Designated Officer shall consult with other board staff typically responsible for such recommendations concerning the necessary process. In such event, the written investigation report shall be provided to the Superintendent in the course of any process under the *Education Act* for the Superintendent to consider that recommendation.
- 8.3 The Chief Officer shall consider the recommendations in the investigation report, and shall be responsible for determining what action, if any, including disciplinary action, shall be either taken as a result or recommended to the Board of Trustees. The Chief Officer shall follow-up with the employees responsible to ensure those actions are taken.
- 8.4 The person making the complaint shall be advised when the investigation is completed, the recommendations made in the written investigation report, and the Chief Officer's actions resulting from the written investigation report.

9. Good Faith

- 9.1 An employee who submits a disclosure of wrongdoing or complaint of reprisal must act in good faith.
- 9.2 Deliberately false or malicious allegations by an employee will form the grounds for disciplinary action up to and including termination of employment.
