ON SYNODALITY

## PRAYER

We stand before You, Holy Spirit, as we gather together in Your name. With You alone to guide us, make Yourself at home in our hearts; Teach us the way we must go and how we are to pursue it. We are weak and sinful; do not let us promote disorder. Do not let ignorance lead us down the wrong path nor partiality influence our actions. Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right. All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. Amen.

Attributed to St. Isidore of Seville (560-636), it has been traditionally used at Councils and Synods for hundreds of years. The version below was specifically designed for the Church's Synodal journey from 2021 to 2023.

Nehemiah 2:18

A man in clerical attire, including a black suit, white clerical shirt, and a gold cross necklace, is speaking at a podium. He is wearing glasses and has his hands raised in a gesturing motion. Behind him is a large, stylized orange flame graphic. The background is a plain, light-colored wall. The text "SHOULD WE BUILD WALLS OR BRIDGES?" is overlaid in white, bold, sans-serif font on the left side of the image.

# Looking Back...and Looking Forward

*If we journey together, young and old, we can be firmly rooted in the present, and from here, revisit the past and look to the future. To revisit the past in order to learn from history and heal old wounds that at times still trouble us. To look to the future in order to nourish our enthusiasm, cause dreams to emerge, awaken prophecies and enable hope to blossom. Together, we can learn from one another, warm hearts, inspire minds with the light of the Gospel, and lend new strength to our hands.*

(Christus Vivit 199)

# Looking Back...and Looking Forward

*Faith makes us appreciate the architecture of human relationships because it grasps their ultimate foundation and definitive destiny in God, in his love, and thus sheds light on the art of building; as such it becomes a service to the common good. Faith is truly a good for everyone; it is a common good. Its light does not simply brighten the interior of the Church, nor does it serve solely to build an eternal city in the hereafter; it helps us build our societies in such a way that they can journey towards a future of hope.....The hands of faith are raised up to heaven, even as they go about building in charity a city based on relationships in which the love of God is laid as a foundation.*

(Lumen Fidei 51)
